

WPNS was started at a playground in 1955. Today WPNS is a **play-based, parent participation preschool** (also known as a “co-op”) that offers a wide variety of programs and enrichment activities for children ages 2.5 years old until kindergarten.

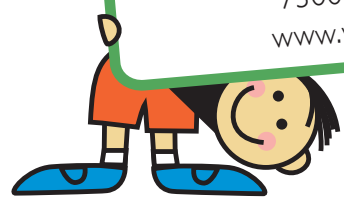

SATURDAY
JANUARY 28
11:00AM – 2:00PM

OPEN HOUSE

Come learn about **Westchester Parents' Nursery School!**
Tour our school, meet our staff, chat with member families, learn what a “parent participation” school is and plenty more. Reservations not required and children are always welcome!

7300 W Manchester Ave., Westchester, CA 90045

The mission of Westchester Parents' Nursery School is to instill a love of learning in both our children and their families, and to provide a skill base to prepare our children to **confidently** meet the challenges of a global and **diverse** world. We highly value the principles of child development, and we structure the learning environment and curriculum to recognize and appreciate the individual qualities of each child. We encourage creative play in our safe and natural environment where fresh air and learning to ride a tricycle are as important as learning the ABCs. By providing a cooperative atmosphere of **respectful communication, support and community**, our families develop friendships that carry on for years to come.
